Verified key content

- "Off-premise table wine sales fell 3.8% and 2.6% by volume and value, respectively, year-to-date in 2026 - compared to bigger declines of 6% and 5.3% for all of last year."
- Table wine average price: "\$8.64 a 750-ml. at retail." The three fastest-growing still wines (Kim Crawford, Josh Cellars, Daou) "are priced much higher" than that average.
- Sparkling: three growth brands (Chandon, La Marca, Josh) posted "double-digit increases year-to-date in 2026, and all three are priced well above sparkling wine's average price of \$12.72 a 750-ml. at retail."
